

Product description

DESARDI® Eco Glass Fibre 210g is a high-quality PVC-free glass textile wallpaper made from woven glass fibers that are robust and long-lasting. It has a special inkjet receptive coating, which offers a high colour gamut. Due to its scratch resistant surface, it is suitable for long-term use in light-to-medium traffic areas. The material is fire retardant and allows a wall to breathe which prevents the appearance of mold or mildew, making it the perfect solution for new installations or humid areas.
